

Bandon Showcase Inc.

For Bella Sorella:

Bandon Showcase is extremely gratified that Bella Sorella included our small town venue as one of the duo's appearances during their recent Oregon Coast tour.

Bella Sorella's performance was absolutely enchanting. The audience was held spellbound, not only by stage presentation but also their broad repertory. Professionalism such as this is usually experienced only in a large city concert hall. So you can imagine the impact on our attendees.

Nova and Susana were very gracious and accommodating during preparations before the performance. As a bonus they even attended a gathering of some audience members after the show with an unscheduled encore.

Again the performance was absolutely excellent and Bandon Showcase would welcome a return engagement at Bandon's Sprague Theater again in the future.

Sincerely,
